

AQUATRANS TANK 600L

Low profile, UV stabilised, impact resistant, polyethylene cartage tank. Standard colour is Safety Green. Optional colours include: translucent yellow, natural and blue, opaque heritage green, dark blue, yellow, orange or red. If tank is used for water storage, TTI recommend using opaque colours to prevent algae growth. Optional colours incur a 5% surcharge. Other options available include Ball Baffle Safety System, steel frame, and mounting pins.
